

## FIG. 187, 188 & 189

## PIPE COVERING SADDLE

www.pipingtech.com/fig187-189

- FINISH:** Black, galvanized or painted.
- SERVICE:** Designed to keep insulation from crushing and to reduce heat losses.
- ORDERING:** Specify pipe size, figure number, description, insulation thickness and finish.
- NOTE:** All saddles are 12" long with the side edges turned up.

**FIG. 187 - 2 1/2" INSULATION**

PIPE SIZE	MAX. RECOM. LOAD	APPROX. WEIGHT (lb. per 100)	COVERING THK.	C
1 1/4	1,200	361	2 7/16	3 7/16
